Giant Mining Corp. Announces Closing of Non-Brokered Private Placement of \$3,091,000

VANCOUVER, BC — May 1, 2024 — Giant Mining Corp. (CSE: BFG | OTC: JUBAD | FWB: YW5) ("Giant Mining" or the "Company") is pleased to announce that further to its news release dated April 8, 2024, it has closed an over subscribed non-brokered private placement financing of 15,455,000 units at \$0.20 per unit ("**Units**") raising gross proceeds of \$3,091,000 (the "**Private Placement**").

Each Unit is comprised of one common share (each, a "**Share**") and one share purchase warrant (each, a "**Warrant**"). Each Warrant entitles the holder thereof to purchase one additional Share of the Company at an exercise price of \$0.25 per Share for a period of 12 months from closing.

In connection with the Private Placement, the Company paid an aggregate of \$55,755 in cash finders' fees and issued an aggregate of 278,775 finders' warrants (the "**Finders' Warrants**"). The Finders' Warrants are non-transferable and have the same terms as the Warrants forming part of the Units.

The Shares, Warrants and Finders' Warrants are subject to a hold period until September 2, 2024 pursuant to applicable securities legislation.

The net proceeds from the Private Placement will be allocated towards further exploration activities on the Company's Nevada Project and for general corporate purposes.

The securities referred to herein will not be or have not been registered under the United States Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

About Giant Mining Corp.

Giant Mining Corp. is engaged in the identification, review and acquisition of latter stage copper and copper/silver/gold assets. This is in direct response to the growing worldwide demand and lack of supply for precious metals fueled by the Green New Deal in the US and most other developed nations with similar programs aimed at addressing climate change. Such programs are heavily reliant on silver, gold and especially copper to produce Electric Vehicles and other renewable power sources, as well as building infrastructure to provide clean and affordable electricity.

The flagship project is the Majuba Hill copper, silver and gold District located 156 miles (251 km) outside Reno, Nevada, USA. Management has been mandated to focus on safe, mining friendly jurisdictions where government regulations are supportive of mining operations.

Neither the Canadian Securities Exchange nor its Market Regulator (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.

On Behalf of the Board of Giant Mining Corp.
